

# Save The Dates!

**WHAT:** CASL Symposium: Celebrating the Past and Visualizing the Future

**WHERE:** Asheville, NC

**WHEN:** ~~April 7-9, 2015~~ July 7-9, 2015

**WHO:** Persons participating in, collaborating with, or interested in CASL

**DATE CHANGE!**

CASL's 2.5-day symposium features a technical deep dive into CASL innovations and outcomes during its first five years of execution as DOE's first Energy Innovation Hub. With CASL recently approved by the DOE to execute for a second five years, CASL's strategic goals and technical roadmap through 2020 will also be highlighted. Technical presentations, interactive panel sessions, and time for open Q&A allows for a vibrant exchange between researchers in industry, academia, and DOE.

So mark your calendar and we hope to see you in Asheville!
